

Individual DIRFloortime Therapy 2018-2019

Individual DIRFloortime Therapy is available through the Speech-Language Clinic at Oak Hill Academy for Oak Hill students as well as children and adolescents from the community. DIRFloortime addresses the social and emotional needs of children diagnosed with Autism Spectrum Disorders, attention disorders, speech and language disorders, and other developmental delays. Our Certified DIRFloortime therapist will use a child-directed, play-based approach to address the individual strengths and weaknesses of the client. It utilizes relationships, natural motivation, and play to target capacities for intimacy, non-verbal and verbal communication, pretend play, social cooperation, logical thinking, and emotional reasoning. Treatment goals are customized to meet the individual differences of the client. Denise Wright is a teacher at Oak Hill Academy and an Intermediate DIRFloortime provider. She is one of only a few DIRFloortime therapists practicing in Dallas. She has worked in special education since 2008 and has her Masters in Human Development and Early Childhood Disorders from the University of Texas at Dallas.

Schedule Information:

Therapy is available in half-hour and one hour sessions, one or two times a week. Sessions can be conducted 1:1 with the therapist or can include a peer, sibling, or parent. Sessions are typically scheduled before or after school.

Payment Information:

The rate for individual therapy is \$60.00 for each half-hour session (\$120.00 per hour). Therapy services are scheduled on a semester basis. A contract will be issued specifying the dates and times of sessions, the name of the therapist, the number of sessions scheduled for the semester, the rate per session, and the total cost for the semester.

All payment for therapy services will be processed through FACTS Tuition Management. As part of enrollment for school, Oak Hill families already have an account in FACTS, and many families currently have an account specified for Auto Pay for Incidental Billing Expenses.

If you wish to update the financial account for therapy services and other billing expenses, log into your account at FACTS. You will be able to see any outstanding balances for your Tuition Payment Plan as well as for Incidental Billing Expenses. On the left hand side of the webpage, select **View Details** by Payment Plan & Billing. Here you can **Change** the Account or **Cancel Auto Pay** for the Financial Account associated for Incidental Expenses. Be sure to select the account next to **Incidental Expenses**, or else you will be making changes to your tuition payment plan.

The following payment options are available for individual therapy:

- Payment by *ACH bank transfer* or *credit card* for the *total* cost of the semester, due by September 10, 2018.
- Payment by *ACH bank transfer* or *credit card* in three equal installments. For the Fall 2018 semester, payments will be due on September 10th, October 10th, and November 10th.

Families choosing this option will receive email reminders for the second and third installments, but not additional invoices.

- Note that all credit card payments include a service fee processed by FACTS.

Registration information:

To enroll your child in individual therapy, fill out and return the attached request form. All families must submit a request form for the 2018-2019 school year, even if their children previously attended therapy. Students who are continuing in therapy from previous semesters will be given priority in scheduling until **Monday, August 13, 2018**. Beginning on Tuesday, August 14th, students will be scheduled in the order that their requests were received. Once all available therapy times have been filled, parents will be notified that their student has been placed on a waiting list. Therapy sessions will begin the week of September 3rd and continue through the beginning of December. Spring therapy sessions will begin the week of January 14, 2019.
